THINGS

YOU & YOUR DOG CAN DO WITH A RUBBER FEED BOWL

Paws Up!

1. Invert the feed bin.
2. Let your dog sniff the bowl (no forcing please!)
3. Use a tasty treat to lure your dog until front paws are on the bowl.
4. "Good dog!" Give a treat!

Target

1. Put your dog in a sit-stay
2. Place a treat on top of the inverted feed bowl (make sure your dog sees the treat)
3. Return to dog and say "go target" (send dog to get treat)

Pivot Around Bowl

Start with Paws Up.

1. Stand facing your dog
2. Hold treat at dog's nose and move to the right
3. Keep moving until your dog's rear legs move away from you
4. Treat and repeat

Food Bowl Game

1. Put a treat in the bowl
2. Put dog in a sit-stay
3. Lower bowl (keep lowering to the floor unless dog pops up - then lift bowl)
4. When bowl is on floor, release dog to get treat

Go Around Bowl

1. Stand close to the inverted bowl with dog at your side
2. Lure dog around bowl
3. Give dog a treat
4. Repeat until dog goes around bowl on her/his own
5. Move further away and try sending dog around bowl
